CONFIDENTIAL

CERTIFICATE NUMBER: E233814GRLROUM

IMPORTANT DISCLAIMER

This certificate is supplied on the basis that it is for the sole use of the parties listed and to whom it is addressed, and exclusively for the objectives set out herein.

No party, other than those specified, may rely on this certificate for any purpose whatsoever.

eCOGRA Limited ('eCOGRA') does not accept any liability or responsibility towards any third party to whom this report is shown or into whose hands it may fall.

This report should not be relied upon for any assurances in relation to third parties and/or activities which are not covered by the certifiable regulatory requirements or compliance standards of the jurisdiction, regulatory authority or compliance entity or system for whose purposes this report is stated to have been prepared. All such other parties and activities are outside the scope of this report and have therefore not been reviewed by eCOGRA.

The nature, timing and extent of testing conducted for the purpose of the certification is considered sufficient and appropriate based on the applicable certifiable regulations and professional judgement applied to the associated risk of non-compliance. The certification of compliance should not be construed to imply any warranty over the functionality, quality or performance of the subject of certification. eCOGRA reserves the right to withdraw this certificate if any non-compliances are subsequently detected by or reported to eCOGRA.

CONFIDENTIALITY NOTICE

This document is proprietary to eCOGRA and contains confidential information of commercial value to eCOGRA, the disclosure of which to third parties could adversely affect the business affairs of eCOGRA.

This information is supplied in confidence to you, on the strict condition that no part of it is disclosed to any third party, in particular to any person or organisation that may be in competition with eCOGRA without the prior written approval of eCOGRA.

Certificate Number: e233814GRLROUM

Result of Testing: Compliant

In our opinion, the games as listed in this report comply with the applicable regulations as described in Section 4 of this report.

Pierre Jordaan
Compliance Director, eCOGRA

2. PRODUCT DESCRIPTION

The following description provides a basic outline of the game operation as designed by AlchemyBet Ltd. A player will logon to the operator's website. Where the player selects a game hosted by the operator and designed by AlchemyBet Ltd, token validation will occur whereby the player is able to download the selected game.

AlchemyBet Ltd in its capacity as software provider assumes responsibility for the following functions:

- Core game services;
- Game front-end; and
- Application programming interface.

3. TEST DETAILS

eCOGRA has been appointed by AlchemyBet Ltd to certify the following games for compliance with the applicable regulations, and to highlight any exceptions identified during testing.

For game certification details provided by AlchemyBet Ltd, please refer to [Annex A](#).

This certification report highlights our key findings as a result of the evaluation conducted on a test environment which is representative of the live environment where the game operates. The testing was conducted on the aforementioned platform established at AlchemyBet Ltd during the period 23 March 2023 to 23 March 2023.

3.1. CONCLUSIONS

In our opinion, the game as listed in this report comply with the applicable regulations as described in Section 4 of this report.

3.2. RECOMMENDATIONS

No findings were noted and as such no recommendations for improvements are raised.

4. DETAILED TESTS

The key findings of our review of the casino other products for compliance with the applicable regulations are as follows:

Secondary Legislation - Technical Inspection of Gambling Equipment:

Technical Requirements	Assessment	Comments
Article 128		
The organiser's website and the gaming platform used to carry out the remote gambling activities must contain the following information in Romanian, displayed in a visible place:		
d) the game rules for each game of chance provided;	Compliant	The scope of assessment is limited to aspects directly managed by the supplier.
j) warning message sent automatically by the gaming platform every 60 minutes informing the player about the time spent to the game.	Compliant	The scope of assessment is limited to aspects directly managed by the supplier.
Article 130		
(2) Gambling organisers will grant players access to information about their game account, a record of their games - including the stakes, wins and losses, the deposits and withdrawals made, as well as other transactions related to the account. This information will be available to players on their game account for at least 90 days.	Not Applicable	The scope of assessment is limited to aspects directly managed by the supplier.
(3) Gambling organisers will not accept a stake from a player unless there are sufficient funds in the game account to cover the value of the stake.	Compliant	The scope of assessment is limited to aspects directly managed by the supplier. Gambling organisers wallet functionality not managed by the supplier.
(4) The outcome of the participation in the game will be immediately reflected in the player's game account.	Compliant	The scope of assessment is limited to aspects directly managed by the supplier.

Technical Requirements	Assessment	Comments
		Gambling organisers wallet functionality not managed by the supplier.
(8) Remote gambling organisers will make sure that, if a game is interrupted due to technical reasons not attributable to the participant, players who have placed a stake before this interruption can continue the interrupted game. If this is not possible, the stake will be returned to the player according to the terms and conditions accepted by the latter.	Compliant	The scope of assessment is limited to aspects directly managed by the supplier. Gambling organisers wallet functionality and terms and conditions not managed by the supplier.
Article 134		
(4) The organizer guarantees the gaming platform assures the accuracy, integrity, reliability, safety, transparency and confidentiality of all the activities and functions performed, as well as the accuracy and promptness of all prize payouts.	Compliant	The scope of assessment is limited to aspects directly managed by the supplier. Gambling organisers wallet functionality for prize payouts not managed by the supplier.
Article 140		
(2) The game rules in Romanian language will be available for game participants on the licensed organiser's platform, from where they can be downloaded free of charge, in a format that does not allow any changes to be made, into the player's computer system.	Not Applicable	The scope of assessment is limited to aspects directly managed by the supplier.
Annex 7		
II. For remote games of chance - For the authorization of organizing remote games of chance:		
6. documents proving the performance of the certifications for the gaming program, the theoretical award percentage rate (RTP) and the random numbers generator (RNG);	Compliant	Reliance placed on core game functionality tested per Annex A.
