

## SLINGO PIGGY BANK SNORTING ALL THE WAY TO THE BANK

Pull out your piggy bank and prepare to fill it with coins, as there are plenty of chances to add to your collection with Slingo Piggy Bank. The objective is simple: climb the pay ladder, pig up as many coins as you can, and hoof it all the way home with your stash. Who knows? You might just win the whole hog. Of course, you could be forgiven for thinking that Slingo Piggy Bank is all about the money – the name does kind of suggest that. But it's also a game that's pure, 100%, unadulterated fun. In fact, it won't be able to help but remind you of a simpler time.

### PIG-TURE PERFECT

Collect Slingos as you climb the pay ladder, while enjoying the game's colourful background and animation-style decor.

### A GAME THAT'S NEVER BOAR-ING

Trigger the Piggy Bank Bonus Game on the reel or pay ladder, providing the opportunity to collect a bonus game multiplier of up to X4.

### THIS IS NOT A PIG-MENT OF YOUR IMAGINATION

If you enjoy the bonus so much that you want to play it again, you'll have the chance to take it for another spin thanks to the Bonus Game Retrieger.
